For Immediate Release

Marathon Deployment Joins National Retail Federation as an Associate Member

Marathon Deployment joins the world's largest retail trade association

Marathon Deployment, Tyngsboro, Massachusetts- We are very pleased to announce our Associate Membership with the NRF. This corporate membership allows Marathon Deployment to take advantage of the many tools, resources, events, publications, and networking opportunities NRF offers. Marathon Deployment is thrilled to be a part of an exceptional resource in the retail community.

“The quality of the membership, events and research is top notch. As an IT service provider it helps us keep a pulse on new trends and best practices in technology that are important to retailers,” said Colleen Howley, Director of Deployment.

The National Retail Federation is the world's largest trade association and the voice of retail world wide. Their representation includes discount and department stores, home goods, specialty stores, chain restaurants and industry partners in the US and 45 countries abroad.

About Marathon Deployment

Marathon provides a full range of services in Information Technology focusing in the areas of Deployment and Field Service. We serve clients in the retail, hospitality and business services verticals in the United States, Canada and U.S. Virgin Islands.
